## STATE OF AGILITY

*Submitted by Sandy Taylor*

### CLASSES:

With classes resuming at Sea Horse Farm on April 4, we have a full complement of classes running....from just-for-fun beginner classes to high-performance classes for experienced teams. And at Sea Horse Farm, in addition to the returning instructors Pam Demetrian, Heather Garre, and David Wyndham the VERY proud owner of Rio—a Briard who made the March 2006 cover of Clean Run magazine)...we're delighted to welcome back Anne Timson. Anne will be teaching the handling skills that helped take her and her Kees Fuzzy to the AKC Nationals in 2006. For a list of current classes, visit [www.capecodkc.org](http://www.capecodkc.org) and click on Training Classes.

### OCTOBER 2006 AGILITY TRIAL

With the final approvals received from the AKC, we are "officially" good-to-go for our first AKC agility trial on October 20-22, 2006. With 3 days of trials facing us, we will be asking for your help on certain aspects of the event.

### DONATIONS TO WORKERS RAFFLE

And speaking of help...the first request is for any dog-related items (for dogs or owners of) that you could donate to our workers raffles. For those not familiar with agility, it takes a tremendous number of volunteer workers to support an agility trial...100+ worker slots each day... and we-re hosting a 3-day event. As a thank you for donating their time, the host club typically holds a daily raffle for these volunteer workers. And that's where you come in. We're in need of items for three days of raffles. If you have something you've purchases but not used...a gift that wasn't quite right...a used item in good condition (for instance a too-small or too-large crate)... that Yankee Swap item you received at the CCKC banquet and stashed away to give next year...or even a small financial donation to our raffle fund...we'd definitely appreciate it. If you can help us out on this, please contact Betty McAdams @ [bettymca2001@yahoo.com](mailto:bettymca2001@yahoo.com) or (508) 428-0536

### The Hyannis Rotary Home Show

I would like to extend a Thank you to David & Laurie Wyndham, Gale, Klun, Sandy Taylor, and Joanne Baldauf who helped man the booth. Also big Thank You's to Donna Martino for being at the home show all of Saturday afternoon and all day Sunday, and to Barbara Cappellina, who got it all together and manned the booth when needed.

*John*
